Welcome to Rotary grants! As Rotary members, we contribute our skills, expertise, and resources to solve some of the world's most serious problems. From providing clean water in local communities to promoting peace worldwide, Rotary grants can bring your project ideas to life.

Use the Rotary grants tool to apply for a grant, track its progress, report on it, and search for other grants in your district.

Types of grants

The Rotary Foundation offers grants that support humanitarian projects, scholarships, and vocational training teams. Here's an overview:

- Global grants** support large international projects with long-term, sustainable outcomes in one or more of Rotary's areas of focus. They range from \$15,000 to \$200,000.
- District grants** fund smaller-scale, short-term projects that address immediate needs in your community or abroad.
- Packaged grants** fund up to 10 scholarships each year for students in a master's program on water and sanitation at the UNESCO-IHE Institute for Water Education in Delft, Netherlands.

The lifecycle of a Rotary grant

Draft	Authorization	Submitted	Approved	Completion
Rotary members plan a project or scholarship and build their grant application online	Club and district leaders review the application and authorize funding	The grant's planners submit the application to The Rotary Foundation	If the grant is approved, the Foundation issues payment	Members carry out the project, reporting to the Foundation annually until the work or studies are finished and the grant is closed

GLOBAL GRANTS COMMUNITY ASSESSMENT RESULTS

Use this form to report community assessment findings to The Rotary Foundation when you apply for a global grant.

Assessing the strengths, weaknesses, needs, and assets of the community you plan to help is an essential first step in designing an effective and sustainable global grant project. See [Community Assessment Tools](#) for full instructions and helpful tips.

This form will help you report the results of your community assessment, and it's required when you apply for any humanitarian or vocational training team grant. Complete a separate form for each beneficiary community (e.g., school, health care system, or village), using information that is both current and specific to each community. Remember, you can't use global grant funds to cover the cost of doing an assessment, but you can use district grant funds.
